Meet One Of Our Board Members!

Tracy Riffel - Indoor Coordinator

My name is Tracy Riffel, I have been in the Greystone Heights Community for 20 years. I ran a family daycare home for 15 years. I retired from that in 2016, now I am an Educational Assistant in the public-school division.

I am married to a wonderful husband Joe. We have two kids: John and Rayann. John will be going to university in the fall and Rayann will be going to high school. We have a dog named Dexter—you will see him being walked in the neighbourhood.

I have been involved with the Sunshine Corner Preschool (Treasurer for 1 year, Vice President for 1 year). Also been with the Greystone Parent Council (President for 3 years) and currently the Indoor Coordinator for 4 years now. I am a participant in the yoga class.

Let me know if you want any classes and I will try my best to get them. You can reach me at jtriffel@shaw.ca

Greystone Heights Community Clean-up

Spring clean up was held on June 15th from 10 am to 1pm. We had approximately 50 people including kids. The neighborhood was broken into 10 zones. We found everything from mattresses to couches in the alleys.

The amount of waste removed that day was 2,780kg's
24 tires were collected and taken to A1 tire for recycling.

Various materials were collected and will be taken to Quantum Murray to be properly disposed of. These included: Batteries, oil, solvent and paint.

Thank you to all of the volunteers who came out to this event!

Special thanks to the Salvation Army, Superstore and the Meewasin Valley Trail for supporting our Community to make this event a big success!

Sarina Gersher, Ward 8 City Councilor

"Happy Fall Greystone Heights!

I hope everyone enjoyed their summer and is settling into fall nicely.

It was a busy summer for City Hall! We hit the ground running with road and sidewalk maintenance. Spring street sweeping was completed through all neighbourhoods in 7 weeks, back lane grading running from July through to October, and sidewalk, pothole and utility cut repairs occurring daily across the entire city. Some major project milestones include the completion of the interchanges at Boychuk Drive and Highway 16 and McOrmond Drive and College Drive. Phase 1 of the Senator Sid Buckwold Bridge rehabilitation project remains on track for completion in October. In 2020, Phase 2 will require the lanes heading into downtown to be closed.

For folks that are curious about decisions coming out of monthly City Council meetings, I would encourage you to take a peek at my monthly publishing of City Council in Brief at sarinagersher.ca/issues. With that being said, a few of the big topics discussed over the summer include:

- Awarding the contract for an Enterprise Resource Planning Project, titled Fusion. Implementation of the system will have wide-reaching impacts and allow the City to be more efficient in the use of its resources.
- Discussion on an indicative mill rate for the 2020/2021 multi-year business plan and budget cycle. The City is moving towards multi-year budgeting, which involves starting budget discussions in June and running through to November. At the time of printing, August discussions around budget prioritization have not taken place. As mentioned above, keep up to date at sarinagersher.ca/issues.
- The City's strategy to reach our climate change targets were presented to the Standing Policy Committee on Environment, Utilities and Corporate Services. At the time of publishing, they had not been received by City Council yet. This roadmap sets out a long term plan over the next thirty years with four phases. The goal is to work with the community through each of these phases and projects so that we are all moving together towards positive action. The report highlights the high level costs of action compared to status quo, showing the cost to be nearly twice as expensive if we do not take action. I look forward to discussing and working together towards implementation of this roadmap as a community.

As always I am available by email, phone and in person to chat about any ideas or concerns you may have. You can keep up to date on Ward 8's monthly Coffee with your Councilor events at www.sarinagersher.ca/calendar or on Facebook."

Why buy a GCA Membership?

Are you wondering what your membership fees go towards?

GCA memberships are only \$10 per year, and your \$10 help us plan free events in our community for all families.

The membership fees support our volunteer rink, events such as Sum Theatre, Winter Fun Day, Bingo Night & other programming. Your dues also help us appreciate our volunteers by hosting a volunteer appreciation night. Our volunteers are the backbone of this community without who none of these events or programming would be possible.

Thank you for supporting our community and purchasing a membership. We hope to continue to host more events with your support.

If you would like to purchase a membership or learn about our community, please contact Sam Rashid at greystonevolunteercoordinator@gmail.com

Rink Update

Our outdoor rink is always looking for any possible recruits to add to our team of volunteers. Please contact Trevor at 306-380-7011. Things won't get heated up until it cools down. My estimate is by early November we'll be freezing water.

Our rink guy committee would like to thank, and send a farewell to the Rintoul family. They blazed into Greystone 5 years ago, and unfortunately they are on the move. Jordan moved in and jumped at the chance to join the fun. He was a loyal helper over the course of 5 winters. We'll certainly miss Jordan and the entire family. Best of luck with your new adventures and we appreciate your support of the community.

The rink guys.

Winter Fun Day

On March 3rd, the GCA welcomed over 300 people to our annual Winter Fun Day despite the cold temperature! We would like to send out a special thanks to BN Metals for volunteering their Transformers! Watch our Facebook page for details of the 2020 Winter Funday next March!

Speech Therapy & Language Services

Speech

Worried that your child isn't speaking early enough?
Are they having trouble pronouncing letters and words or speaking too quickly?
If your child is struggling to be understood, SLN speech therapy can help.
This includes addressing speech, stuttering and voice volume regulation.

Language

Does your child struggle to put ideas into words?
Do they have trouble with reading and comprehension, or interpreting others?
The ability to understand and express language is vital to your child's development.
Better understanding starts with SLN. We can help your child develop the language skills necessary for success at school and in the community. This includes targeting early concept and vocabulary development to helping them organize and apply meaning to new information.

Social

Is interacting with others a challenge for your child?
Do they find it difficult to adapt to changing social situations or embrace social cues?
There's more to social language skills than please and thank you, and waiting your turn in conversation. Whether your child has difficulty interacting with peers, understanding and interpreting the perspectives and motivations of others, or struggles to relate to or empathize with others, the SLN is here to help.
We can help them better connect to their world.
